3. The candidate's height will be measured as follows :—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heel calves, buttocks and shoulders touching the standard ; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. 3. The candidate's height will be measured as follows :—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heel calves, buttocks and shoulders touching the standard ; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. In the Indian Police Force a minimum height of 5 ft. 4 ins. is required, but in other departments no fixed limit of height is enforced.

4. The candidate's chest will be measured as follows :—He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the

inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded in inches, 33—35, 34—36½, etc.

In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. *Note.*—Special rules apply to Railway Servants, Pilots, Royal Indian Marine.

(A) The examination for determining the acuteness of vision includes two tests, one for distant the other for near vision. Snellen's test types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision which will be used for guidance in the examination of a candidate are as follows :—

STANDARD I.

Right eye.	Left eye.
Distant vision—V=6/6.	V=6/6.
Near vision—Reads 0, 6.	Reads 0, 6.

STANDARD II.

Better eye.	Worse eye.
Distant vision—V=6/6.	V, without glasses=not below 6/60; and after corrections with glasses =not below 6/24.
Near vision—Reads 0, 6.	Reads 1.

STANDARD III.

Better eye.	Worse eye.
Distant vision=V, without glasses =not below 6/24*; and after correction with glasses = not below 6/6.	V, without glasses = not below 6/24*; and after correction with glasses = not below 6/12.
Near vision—Reads 0, 8.	Reads 1.

*Temporarily lowered to 6/60.

(B) Each eye must have a full field of vision as tested by hand movements.

(C) Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence, will cause the rejection of the candidate.

(D) Each eye will be examined separately and the lids must be kept wide open during the test.

(E) Inability to distinguish the principal colours will not be regarded as a cause for rejection but the fact will be noted in the proceedings and the candidate will be informed.

(F) The degree of acuteness of vision of all candidates for appointments will be entered in the proceedings in the following manner :—

V. R.= .....; with glasses= .....; Reads.....

V. L.= .....; with glasses= .....; Reads.....

(G) In cases of serious abnormality the opinion of an opthalmic specialist should be obtained.

7. The urine (passed in presence of the Examiner) should be examined and the result recorded.

8. The following additinal points should be observed :--

(*a*) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear ;

(*b*) that his speech is without impediment ;

(*c*) that his teeth are in good order and that he is provided with dentures where necessary for effective mastication (well filled teeth will be considered as sound) ;

(*d*) that his chest is well formed and his chest expansion sufficient, and that his heart and lungs are sound ;

(*e*) that there is no evidence of any abdominal disease ;

(*f*) that he is not ruptured ;

(*g*) that he does not suffer from hydrocele, a severe degree of varicocele, varicose veins or piles ;

(*h*) that his limbs, hands and feet are well formed and developed and that there is free and perfect motion of all his joints ;

(*i*) that he does not suffer from any inveterate skin disease ;

(*j*) that there is no congenital malformation or defect ;

(*k*) that he does not bear traces of actue or chronic disease pointing to an impaired constitution ;

(*l*) that he bears marks of efficient vaccination.

When any defect is found it must be noted in the certificate and the medical examiner should state his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.

The standard in subjects in section A (except mathematics) will be that of the Intermediate examination of an Indian University. The standard in mathematics will be as shown below. The standard in subjects in section B will be that of the pass degree examination of an Indian University.

SYLLABUS IN ELEMENTARY MATHEMATICS.

The course is as follows :—

(1) *Arithmetic.*—The whole of arithmetic. (The use of algebraical symbols and processes will be permitted.)

(2) *Algebra.*—The four simple rules ; Fractions ; Greatest Common Measure ; Least Common Multiple ; Factors ; Remainder Theorem ; Proportion ; Simple Equation of one or more unknown quantities with easy problems, Quadratic Equations, with easy problems and theory of Quadratic Equations, Graphs and their applications. (Candidates should be provided with squared paper.)

All figures should be drawn accurately, for which purpose every candidate should provide himself with a graduated scale, a pair of set squares, a protractor, a compass and a hard pencil.

The questions on Theoretical Geometry will deal with the subject enumerated in Schedule B (and may include easy riders and numerical illustrations). Any proof of a proposition will be accepted which appears to the Examiners to form part of a systematic treatment of the subjects. In the proof of the theorems hypothetical constructions will be permitted.

PART III.

Appointment by Competitive Examination in India.

6. A candidate must be a male and either—

(i) a British subject of Indian domicile whose father (if alive) is a British subject, or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India, or a person in the permanent service of the Crown, or a person who had retired from that service: or

(ii) a ruler or a subject of a State in India in respect of whom the Governor General in Council has made a declaration under section 96A of the Government of India Act.

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

7. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a member of the Indian Police, and a candidate who is found after examination by a Medical Board not to satisfy these requirements will not be appointed.

8. A candidate must satisfy the Public Service Commission that his character is such as to qualify him for employment in the Indian Police Service.

9. A candidate must have attained the age of 21 and not have attained the age of 24 on the first day of August in the year in which he is selected for admission to the Competitive Examination.

10. A candidate must hold a Degree of a University approved by the Governor-General in Council or have passed the Diploma Examination in the 1st or 2nd Division from the Aitchison College, Lahore, the Mayo College, Ajmer, the Daly College, Indore, the Rajkumar College, Rajkot, or the Rajkumar College, Raipur, or have passed the Cambridge School Certificate examination. In exceptional cases the Public Service Commission may, on the recommendation of the Local Government, treat as a qualified candidate a candidate who, though not possessing any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which in the opinion of the Public Service Commission justifies his admission to the examination.

11. (1) For the purposes of the examination the Governor-General in Council shall constitute selection areas, and every candidate shall be assigned to an area, in which he is resident or in which he is treated as resident.

(2) For the purpose of these rules a candidate is resident in a selection area in which his parents reside at the time of his application, or have previously resided for a period of not less than three years or in which he has himself resided (otherwise than as a student of a University only) for a like period, but the Public Service Commission may in special circumstances allow a candidate to be treated as resident in a selection area in which he is not resident:

Provided that a candidate shall not be treated as resident in Burma unless at the date of his birth and at the time of making his application he was domiciled in Burma.

(3) A candidate resident in a State in India shall be treated as resident in the selection area in which he wishes to serve, provided that the Public Service Commission may in special circumstances treat such candidate as resident in some other selection area.

(4) No candidate shall in any year be treated as resident in more than one selection area.

12. (1) In each selection area a Selection Committee shall be constituted by the Local Government and shall perform in accordance with arrangements made by the Local Government and approved by the Public Service Commission the functions hereinafter assigned to it. Every Selection Committee shall include at least one unofficial member.

(2) For the purpose of this rule the Local Government means in the case of the North-West Frontier Province the Chief Commissioner and in other cases the Local Government of the Governor's province which constitutes, or is included in, the selection area.

(3) The Selection Committee shall examine every application from candidates assigned to the area for which they have been constituted and shall interview every candidate who appears to be qualified under these rules for appointment to the Indian Police Service.

(4) The Selection Committee shall make a list of those persons whom they recommend for admission to the examination. They shall include in the list no candidate whom, having regard to his personality, character, physique and general suitability as shown by his previous career, they do not consider in all respects suited for appointment to the Indian Police Service in the selection area. They shall also exclude from the list any candidate with regard to whom they are satisfied that he will not qualify in the written examination.

(5) Each Selection Committee shall send its list of recommended candidates to the Local Government, who shall forward it to the Public Service Commission with such observations as they may desire to make. The Public Service Commission shall make a final selection of candidates to be admitted to the examination for each year, and in so doing may make additions to or omission from the list prepared by the Selection Committee, provided that no such additions or omissions shall be made except after consultation with the Local Government. To every candidate whom they select for admission to the examination, the Public Service Commission shall give a certificate of having been selected for the examination, and no person to whom such certificate has not been given shall be admitted to the examination.

13. No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means may disqualify him for selection.

14. The Competitive Examination shall be conducted in accordance with regulations made by the Governor-General in Council and such fees may be charged to candidates as may be prescribed in those regulations.

15. A list of the candidates shall be made out for each area in order of their proficiency as disclosed by the aggregate marks finally awarded to each candidate and in that order so many of the candidates up to the determined number of appointments in each area as are found by the Public Service Commission to be qualified by examination shall be declared to be successful candidates for the Indian Police Service, provided that the Governor-General in Council is satisfied that they are duly qualified in other respects.

Regulations made by the Governor General in Council under the Indian Police Service (Recruitment) Rules, 1927, for recruitment to the Indian Police Service by Competitive Examination in India:—

1. Candidates desiring to be admitted to the Competitive Examination shall apply before such date to such person and in such manner as the Governor General in Council shall prescribe.

5. From the marks assigned to candidates in each subject such deduction will be made as the Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

6. If a candidate's handwriting is not easily legible a deduction will be made on this account from the total marks otherwise accruing to him.

7. Credit will be given for good English, including orderly, effective and exact expression combined with due economy of words, in all the subjects of the examination and not only in the subjects which are specially devoted to English.

8. Candidates must pay the following fees:—

My College career was of a first class standard. After passing the University Entrance Examination in high second class, I secured over 60% marks both in Physics and mathemati at my first year B.A., B.Sc., examination. Therefore, I was offered B.Sc., course of this University. I chose Physics as my main subject and mathematics as the subsidiary. In the remaining two years at the College, I studied well so as to get always above 60% in these subjects, except at the final degree examination, in which, I suppose, I must have failed to get the first class by a narrow margin.

As regards sports I have evinced a keen interest in foot ball and cricket. Both at school and college, I have played several matches. I am a very good left hand bowler. I was a member of the Rover's Scouts and had competed in every College sports. I am a good mile runner.

After I left the College, though I was un-employed, I hav not ceased to take an active part in games and sports. I am now a physical culturist, being trained by Prof. K.V.Iyer, of the famous Herculian Gymnasium, Bangalore.

Indian Police Service Examination in Madras in 1931 - Applications - Your letter No. 3776/375-1928 dated 25th May, 1931.

I am directed to say that the Indian Police Service Examination to be held in Madras in September 1931 is not open to Brahmans since the vacancy in the Indian Police Service of this Presidency is to be filled from Non-Brahman Hindus only. I am therefore to return the applications from Messrs. P. Sreerangachar B. N. Narayanaswamy and N. R. Raja Ayyangar as under paragraph 3 of the 'Notice' of the Government of India in the Home Department, No. F/20-1/31, dated 9th February 1931, the applications should be forwarded to the Chief Secretary of the Governor's Province in the selection area in which the candidates wish to serve.

The application from Mr. R. Jeevaratnam who is a non-Brahman is also returned as his application form shows that he intends to apply for the examination to be held at Bombay, Calcutta, Allahabad, Lahore, Rangoon or Nagpur. I am, however, to point out that having been born on 15th June 1906, he will be over 24 years on the 1st August of 1931 and will not be eligible for admission to that examination. He would however be eligible for the Madras examination, the age restriction for which is that a candidate must not be over 25 years on the 1st January of 1931.

The application from *N.C.Sasikumar who seeks admission to the Indian Police Service examination to be held at Madras has been retained. I am to request that an extract from the register of Matriculates showing his date of birth may be obtained and forwarded to this Government at a very

In reply to the letter R.O. 5004 from your office asking me to submit my S.S.L.C Book I have submitted the same.

The Date as given in the S.S.L.C Book is 23rd. March 1908. This Date was corrected by me before the District magistrate Bangalore as 2nd. December 1907. The error was due to translation of the lunar Calender to the English Calender. There had been Correspondance about the same when I obtained the 96-A declaration (R.O. 445-1).

Thanking you.

With reference to your letter No. 4912/199-1926, dated the 11th July, 1931, forwarding two applications, with enclosures, one from Mr. B.N.Narayanswamy and the other from Mr. N.R.Raja Iyengar for admission to the Indian Police Service Examination to be held in September next, I am directed by the Governor in Council to state that a candidate must apply on the prescribed form before the 18th May 1931, through the Collector or Deputy Commissioner of the District in which he resides or through the Political Officer or Agent if he is a subject of a State in India, to the Chief Secretary of the Governor's Province in the selection area for whic he is a candidate. Both Messrs. Narayanswamy and Iyengar failed to comply with this requirement as they did not mention at first the selection area in which they wished to serve. The result is that their applications have been received long after the date prescribed for the receipt of such applications by the Local Government, viz. 31st May 1931, and long after the Government of Bombay had informed the Public Service Commission of the total number of candidates from this Presidency seeking admission to the ensuing examination and of the number of candidates proposing to offer each of the several optional subjects. The latter information had, in accordance with the request of the Public Service Commission, to t sent to them as soon as possible after the 31st May 1931.
